THE KINGDOM SERIES

Biblical allegories set in a medieval time period, The Kingdom series covers the span of time from Genesis through the book of Revelation. Each book is full of action and adventure where swords, knights, and battles captures the imagination of all ages, and the action keeps teenagers engrossed from cover to cover...even non-readers! The series is one continuous story with characters that portray courage, loyalty, discipline, and honor.

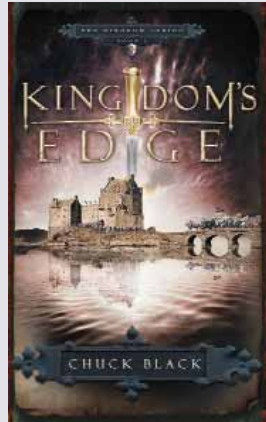

“A *Pilgrim’s Progress* for the Xbox generation! That’s what Chuck Black has achieved in his Kingdom Series. It’s an allegory of the whole Bible told in the medieval format of noble knights and scathing sword fights, quests and dragons, betrayal, and final victory by the True Prince over the Dark Knight.” —Dave Jackson, author of the *Trailblazer* novels
