**Two Coots in A Canoe**

When retired CEO Ramsay Peard calls his old friend David Morine and asks the longtime conservationist to canoe the Connecticut River, Morine says he'd do it under one condition: no camping. Join us as Morine recounts their journey of whim, humor, and self-discovery. Written in the tradition of Bill Bryson's A Walk in the Woods, this book will be treasured by conservationists, canoeists, and old friends still seeking a thrill.

**Return to Sullivans Island** Dorothea Benton Frank's sequel to *Sullivan's Island*. Newly graduated from college and an aspiring writer, Beth Hayes craves independence and has a world to conquer. But her notions of travel, graduate study, and writing the great American novel will have to be postponed. Beth is elected by her elders to house-sit the Island Gamble. Surrounded by the shimmering blue waters of the Atlantic, the white clapboards, silver tin roof, and confessional porch have seen and heard the stories of generations of Hamiltons. But will the ghosts of the Island Gamble be watching over Beth? **\$25.99 William Morrow**

**The Hour I First Believed** When high school teacher Caelum Quirk and his wife, Maureen, a school nurse, move to Littleton, Colorado, they both get jobs at Columbine High School. In April 1999, while Caelum is away, Maureen finds herself in the library at Columbine, cowering in a cabinet and expecting to be killed. Miraculously, she survives, but at a cost: she is unable to recover from the trauma. When Caelum and Maureen flee to an illusion of safety on the Quirk family's Connecticut farm, they discover that the effects of chaos are not easily put right, and further tragedy ensues. **\$15.99 Harper Perennial**

**Catastrophe** Dick Morris' newest - no-holds-barred take on America's ills in 2009--from economic collapse to foreign infiltration to the missteps of the new administration. We must act before President Barack Obama fully

implements his radical political agenda. At a time when we needed a pragmatic centrist to lead us out of recession, we got a doctrinaire socialist who wants to use the crisis to put the government in charge of the economy and enact European socialism here in the United States. **\$26.99 Harper**

**Blue Bloods #3: Revelations** As Schuyler Van Alen's blood legacy is called into question, an ancient place of power in Rio de Janeiro is threatened, and the Blue Bloods need Schuyler on their side.
